Allowable Subject Matter

1. Claims 44-56 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art neither anticipates nor renders obvious a page skipping book as claimed in independent claim 44. The closest prior art is as discussed in the previous office actions. Applicant's amendment overcomes the prior art. Furthermore, there is no motivation found to modify the prior art to obtain the claimed invention of independent claim 1, specifically wherein the combination of limitations includes the specific limitations of the structure of the book with the location of the engagement locations and the presence/absence of cutouts in the sheets as is currently claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
